“[We] must work to build a better place for [ourselves], one that will benefit all people, regardless of race or religion. Form alliances, firstly among yourselves...Leadership is in the resourceful people that represent the productive life of society”—Imam W. Deen Mohammed (ra)

Dear Believer: As-Salaam-Alaikum!

We want to wish you and your family a Blessed Month of Ramadan.

Our St. Louis and CWSC Planning Team are busy preparing for your arrival at the National Town Hall for Mutual Consultation: Towards An Intelligentsia, August 15-17, 2014.

The final countdown has begun. In 45 days a historic gathering will commence that brings together believers from throughout the nation, comprising our group intellect for the specific purpose of conducting shuraa on a wide range of issues you have decided are major concerns and opportunities for our Community.

You are the guest speaker. While building on our legacy of leadership, our Community is gathering to hear the group intellect share its heart and mind on the important issues affecting our present and future. The Town Hall is planned to occur just after the Blessed Month of Ramadan when our hearts and minds have been purified by obedience to our Lord. When we bring such purity to the table combined with our faith and intellect in an environment that respects your voice whether we're male or female, young or older, Imam or non-Imam, then we have the best means to structure a powerful intelligentsia.

It is under the discipline of Ramadan and the desire to fulfill the destiny of an intelligentsia that our greatest help comes in problem solving. Then we will see the excellence in our family and community life expand such that all of us, wherever we are in the country can benefit more effectively from the greatest natural resource Allah (SWT) has given us--the power of the group intellect. No one masjid has such power. No one person has that kind of power. It is all of us together with faith in Allah (SWT) that can tackle any issue and usher in a new and heightened level of excellence throughout America, not only for ourselves, but also for the communities and many of our people that have been left behind.
