## 2014 Vanguard of Supporters & Volunteers

Some people wait to see what's going to happen, while others wonder what happened.

And then there's a group who helps to usher in change little by little and day-by-day...they are the vanguard—that special group who share a belief that it only takes one person to change the world and by G-d, perhaps they are that person.

Indeed, that's how G-d changes the world, through you and me.

Now I can wait and see and fulfill a self-fulfilling prophecy of certain failure and then say, "See, I knew it wouldn't work..." Only the phrase belies the fact that it could have worked. It should have worked, and it would have worked if only I had taken on my part of the responsibility.

Thank you to all who have helped forge the way to a new possibility, to a new way of synergizing through the highest level of group thinking and collaboration ...through the Divine favor of Shuraa Baynahum.

The persons and organizations shown below have our sincere gratitude, for each in his or her special way have been change agents helping CWSC to usher in a new era of possibilities for us to help ourselves and the world, not as a single, stand alone entity, me or my organization alone, but as a solid, cemented structure...a powerful group intellect across the nation working together to remake the world. Now let's share the gift with others...Invite the believers to this noble work.

Thank you and may Allah (SWT) grant each of us a Blessed 2015!

As-Salaam-Alaikum.
