Connecting the American Muslim intelligentsia with faith, media, business, government, education and cultural institutions at home and abroad...

REQUEST A SPEAKER 

### DISTINGUISHED LECTURER:

## H. Daniel Mujahid

H. Daniel Mujahid is president of Mujhaid & Associates, a global portfolio strategic performance consulting company helping clients with cost reduction strategies and product and services innovation. His focuses include global strategic procurement, productivity savings, process improvement, crisis planning and management, sales and relationship marketing. He is a student of Imam W. Deen Mohammed and an *Educo* advocate through the performing arts.

Daniel led the strategic partnership with the Rainbow Push Coalition delivering mentor-protégé small business models in 1st tier logistics, facility management, and alternative energy contracts at General Motors. He served as global purchasing facilitator for the automotive industry group DaimlerChrysler instituting best practices and implementing women and minority supplier initiatives with 21st century supply chain management, combining both cross-functionally with procurement finance, and global sourcing to reposition more minority suppliers in the value chain.

As lead consultant to Wayne County Government Executive Branch, he reviewed the County's charter, ordinances and operating procedures to integrate 4th generation technologies enhancing service for taxpayers, stakeholders and employees. He also served as B2B agent for the County's China trade mission on "green" air quality best practice sharing standards between China and the U.S. His leadership milestones also include an executive leadership consultancy with the Michigan Minority Business Development Council and a tenure with the National Minority Supplier Development Council.

Daniel earned his B.S. at Michigan State University, and an MBA with post grad executive management IT training at the University of Michigan.
