

## **Each One Reach Ten...Thank you for your Generosity.**

May Allah (SWT) reward you greatly for supporting the vision of a national working intelligentsia serving our Community and the broader society.

As we prepare to wrap up the year and welcome 2016, CWSC has not slowed a bit in its work or vision. In fact, while we're working diligently now to execute the CWSC AM360 Radio-Telethon, we're already preparing for the next year, as Allah (SWT) opens His Grace to us and continue enlarging our vision, our minds and our hearts to do more in His Cause.

We're looking at new programming ideas for AM360 and new Learning Labs to help tackle some tough economic issues families are facing. We're expanding our [Share Your Jumah Network](#) to include more voices from our group intellect and reach more Americans in 2016, and we're gearing up to launch the National Speakers Bureau from the national press club in D.C.!

The work takes dedication and faith foremost for we pledge to struggle to our utmost whether lightly or heavily equipped, for Allah (SWT) knows best. It's why we ask you to do only what you can. We know you share in this vision and now we ask you to share it with others.

We're respectfully requesting *each one reach ten*...to help us sustain and grow our Intelligentsia operations.

Take one more step to help distribute the financial responsibility such that no one person is overburdened. We ask you to join the **CWSC AM360 Calling Tree & Social Media Campaign** by contacting just ten (10) persons, Muslim or non-Muslim and asking them to support the CWSC AM360 Radio-Telethon by making a contribution. Let them know their contributions help strengthen American Muslim voices against violent religious extremism & Islamophobia.

- By Telephone.** Call other believers and friends and ask them to contribute online at [cwsc.us](http://cwsc.us).

You can also mail in a gift payable to CWSC, Inc. at CWSC, 2620 Bragg Boulevard, Suite D, Fayetteville, North Carolina 28303.

Give what is comfortable for you. Thank you if you have made a recurring contribution. Recurring contributions help us forecast and know we have the revenue to sustain and expand operations. if we all took the step of even a small recurring contribution of just \$9.99 monthly (33 cents a day), we would be able to meet our financial obligations and accelerate our work to serve the community...won't you join me in saying yes.

By whatever method you choose, a few minutes taken by each of us will be of great help in supporting this vital mission. Let us know you're with us. Send a reply email to us at [cwsconline@gmail.com](mailto:cwsconline@gmail.com) that you're participating in **Each One Reach 10** and again once you've asked at least 10 people to support the Telethon by making a tax deductible contribution...together we can remake the world.

As-Salaam-Alaikum.
